### NEW: Research Update

FACHSPRACHE again announces something NEW to make your reading experience even better! The following changes have been made in our online offering:

There is a section entitled “Forschung aktuell / Research Update”. It will include – chronologically ordered and continuously updated – all short text offerings on new development strands in research: reviews, disputations, conference reports as well as webinars with discussions on current publications or special issues. The first texts have already been uploaded: **Take a look!**

The bibliography and the reviews will be discontinued, but previous issues will be archived and available on the FACHSPRACHE website.
